

The following Terms and Conditions of Service apply to all services provided by our **MINDFUL MARKETING**

our **MINDFUL MARKETING** (OMM) offers a variety of services to improve a business' online visibility. By engaging us, you agree to the **Terms of Service** set forth below. If you have questions, or if we may be of any service, please do not hesitate to [contact us](#).

PROJECT ACCEPTANCE

At the time of proposal, OMM will provide the client with an itemized quotation after completion of the initial consultation.

TIMEFRAME & DELIVERY

Once OMM and the client agree to a quote, the start date can be anywhere from 1-3 weeks after quote has been accepted by client. This is dependent upon OMM's current work volume. At the time of the client's acceptance of this estimate or quotation, indicating acceptance of the Terms & Conditions, a non-refundable deposit of 50% of the quoted fee will become immediately due. Work on the project will not commence until OMM has received this amount. OMM has the right to refuse additional revisions.

OMM will provide 6 revisions for each design project. OMM's first draft to the client does not count as a revision.

OMM reserves the right to revert client's website back to its original state and cancel the project if the website has been published and is being used to gain a profit before completion.

PAYMENT

At the time of approval of the quotation, the remainder of the amount due will become payable. Payments may be made via Credit Card, Debit Card or PayPal. Publication or release of work done by OMM on behalf of the client, may not take place before cleared funds have been received. Once payment has been made, there will be no reimbursement of funds unless agreed by OMM.

ADDITIONAL FEE

Wix only allows one person on the Editor at any given time. If another user accesses the Editor while a designer is working, all changes will not be saved and will be lost.

Therefore, if client accesses the Editor while OMM is working on the website, the client will be charged an additional fee of \$100 due to lost time and lost work. This fee must be paid in full before we move forward with the project.

WARRANTY

We provide a thirty (30) day warranty period from the day the website goes live to make sure the website meets your originally agreed upon site specifications.

LIABILITY

The client also agrees that OMM holds no responsibility for any changes made by any third party, before or after a website is completed and delivered.

ABANDONED PROJECTS

A project shall be considered abandoned after 31 consecutive days have passed since the last productive communication received from the client. If the project surpasses 31 days from start date, due to failure of communication from client, the remaining 50% must be paid in full to be able to move forward. Project will still be completed; however, the final 50% balance must be paid in full before OMM moves forward with the project.
